

Belinda Haynes

Hartford

PCA

Supporting # 5433

My name is Belinda. The system is not working for me. My client was hospitalized for a week and during that week I was not paid. I am allotted only 11 ½ hours per week at \$12.30 per hour "OMG." Not enough to survive and support my family.

If PCAs had a union we would be able to negotiate for better pay, sick time, medical benefits and maybe even vacation time.
